

Dear Mosquito Zero Customer:

Mosquito Zero of Bowling Green is gearing up for another mosquito free season. We have implemented a new treatment program for 2018. Listed below are the packages available to treat your yard all season long. Each plan is based on the frequency of treatments and size of yard. Your yard will qualify for the highlighted package plan below.

Small Yard	Medium Yard	Large Yard
<ul style="list-style-type: none"><li>• <b>GOLD:</b> \$55 per treatment every 21 days</li><li>• <b>SILVER:</b> \$70 per treatment once a month</li></ul>	<ul style="list-style-type: none"><li>• <b>GOLD:</b> \$70 per treatment every 21 days</li><li>• <b>SILVER:</b> \$85 per treatment once a month</li></ul>	<ul style="list-style-type: none"><li>• <b>GOLD:</b> \$85 per treatment every 21 days</li><li>• <b>SILVER:</b> \$100 per treatment once a month</li></ul>

The 2018 season will run between April-October. Expect between 6-10 treatments depending on the plan chosen. Treatments will be on a reoccurring schedule, unless you call and change date of treatment. If you choose not to take advantage of the package plans, we will still offer on-call basis treatments for a different charge.

Please call 270-996-8590 or email [fightthebite@BGMosquitoZero.com](mailto:fightthebite@BGMosquitoZero.com) with the plan you choose in order to add your property to our schedule for the 2018 season. We look forward working with you!

Thanks,  
Thomas Hill  
Cory Green
